

What Are The Needs Of Living Things

1. Draw an animal that might live in these different Shelters

The image contains five line drawings of animal shelters arranged vertically. From top to bottom: 1. A simple house with a chimney, a door, and four windows, with a small '1' to its right. 2. A beehive hanging from a branch, with a small '1' below it. 3. A spiderweb, with a small '2' to its right. 4. A cave entrance in a rock, with a small '2' to its right. 5. A bird's nest on a branch, with a small '1' to its right.

1. Clipart-library.html, 2. clipart.email.html

2. What 4 things do living things need to survive?

Answers:
Air, Food, Water, Shelter
